CIA INTERNAL USE ONLY

25X1A 1. (Internal Use Only - FMC) Received a call from Mr. Kennedy, House Armed Services Committee staff, who wanted to notify the Agency that GPO was going to start printing the "Special Subcommittee on Intelligence's Inquiry into the Alleged Involvement of the Central Intelligence Agency in the Watergate and Ellsberg Matters of 1973" (Jacket #46-031). Kennedy said it would be a matter of several weeks before the printing would begin and that he would be notifying us of any future printings by GPO involving the Agency. [REDACTED] Acquisitions, was authorized to order 200 copies of this printing.

2. (Unclassified - DFM) Received a call from John Perkins in the office of Representative David R. Bowen (D., Miss.). Perkins requested a copy of the CIA study on the world food situation which was mentioned in a Washington Post column last week. I told Perkins we would have a copy of the report to him tomorrow.

3. (Internal Use Only - LLM) [REDACTED], Minority Counsel, 25X1A Senate Committee on Aeronautical and Space Sciences, called to indicate that he has been designated to assist Senator Goldwater (R., Ariz.) in connection with his Select Committee activities and wanted to know the status of his clearances, particularly whether he had a "Q" clearance since this will be the standard implemented for staffs of the Select Committee. He agreed with me that under section 7 of S. Res 27, it appears that personal staff or standing committee staff designated to serve the membership of the Select Committee would have to have status as staff of the Select Committee in order to comply with the requirement that there be no disclosure outside of the Committee.

25X1A Later, I advised [REDACTED] that our records indicated that he has a Top Secret clearance as well as certain compartmented access clearances but we have no record of a "Q" clearance for him.

4. (Unclassified - KKH) Received a call from Pam Turner, in the office of Senator John Tower (R., Tex.), requesting a copy of all statutes including the 1947 law that affected CIA. After obtaining a copy from OGC, I sent it to Ms. Turner.
